GET BUSY.....

By Hal E. Roach.

Two so-journers at the seashore find they need cash and they evolve the brilliant idea of saving lives by pushing people overboard and then rescue them. The peculiar part is that one can swim and the other CANNOT and through a miscarriage of the plans, the pusher-off happens to be the swimmer instead of the non-swimmer and the comedy situations provoked by these two are quickly brought to an abrupt termination when a real life-guard happens on the scene.
